And after a year or two of quiet and earnest ousiness administration of national affairs, the people may be satisfied the politicians are not.

THE CELESTIALS.

John Chinaman as a Railroad Builder.

From the San Francisco Times It is a significant fact that at the la ing of the last rail on the Pacific Railroad, John Chinaman occupied a They see no use in having an engle if he don't take flight occasionally. But just here the trouble arises. There are several parties who want the services ished the great work; and but for his skill and industry the Central Pacific friends want him to circle around San Domingo and Cuba; Butler, while delighted at all signs of activity on the part of our national fowl, would rather Railroad might not now have been carried eastward of the Sierras. The experience of this undertaking has proved that the Chinaman is an adhave him close his claws on England, mirable railroad builder. His labor if it's all the same to the President; certain New York capitalists want the eagle to go to Mexico to superintend extensive railway projects; and others still, speak vaguely of the fey pole, and the isthmus, of a land route to Alaska, and a water route from the cific Company who are more clever in dies, silks, velvets, laces, etc., besides lakes to the ocean, over both of which, aligning roads than many white men an incredible amount of Confederate ad all of which, the flag shall wave, who have been educated to the busi-

A good deal of nonsense has been those who favor them here of the adthose who favor them here of the administration being a failure. It is true that a very different state of affairs would have existed to-day had their advice been followed. Instead of the gatherings in all parts of the land to decorate the graves of our sollar the Chinaman's want of standard the chinaman's want of st diers, there would have been camps tion with a view to test the respective of living soldiers everywhere preparing to start towards graves in Canada, in Mexico, in Cuba, and on the ocean. With the land biossoming white with camps, the harbors black with menanger to the two races. On one partment in this city, and Secretary Stantan turned them over to Treasurer Spinner, subject to future action. The valuables are supposed to have been taken possession of by Sherman's the white spin to the war Dispute to the two races. On one partment in this city, and Secretary Stantan turned them over to Treasurer. The valuables are supposed to have been taken possession of by Sherman's the white spin to the war Dispute to camps, the harbors black with menor-of-war, and the public debt crowding the waits of the Treasury with our promises to pay, we would have had instead of the present quiet, flat busi-ness affair, a most successful adminis-tration! What can Grant be thinking about that he don't see it?

It is just possible that he believes we cannot now afford as a nation to

be made a success with the elements sation then going on, speaking good now at our disposal, the nation will merit the approbation of all who love merit the approbation of all who love freedom. The task on hand is great enough without adding anything from the great assistance that the Chinese first article is less than four columns.
